

CALLING ALL CREATIVE MINDS!

FALCON FEST

Falcon Fest is on May 22nd! Falcon Fest, is an end-of-the year celebration filled with games, snacks, activities, and lots of fun for our students. Each year, we try to incorporate new ideas along with the tried and true ones that students look forward to. This year, we would love to get some new ideas of any fun, age-appropriate, and safe activities. In the past we have had obstacle courses, tricycle races, face painting, ring toss, and many other creative/homemade ideas.

Have a fun activity or idea for Falcon Fest??
We would love to hear from you!
