

BOX TOPS FOR FOREST GROVE

Welcome back to school, Falcons! My name is Wendy Chamberlain and I'm thrilled to be the Box Tops for Education™ Coordinator for our school. Clipping Box Tops is an easy way for you to help our school earn cash. Last school year, we earned around \$1,200 and used the money to pay for some fun PTA events for our children. This school year, our school's earnings goal is **\$1,500**.

Big changes are coming to the Box Tops for Education Program, so here is the scoop! Over the summer, you may have already noticed some brands change their packaging from the traditional Box Tops clip  to the new Box Tops label. 

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The new Box Tops for Education app will feature state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

However, if you still have traditional Box Tops clips at home, be sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, once the new app launches, you can "double dip" during the packaging transition by clipping the traditional Box Tops AND scanning your store receipt containing participating products.

Also, this year we are introducing Falk the Falcon! Falk the Falcon is a stuffed animal that will visit and stay in the winning classroom for the month. Classes can "win" Falk the Falcon by submitting the most Box Tops. The winning class will also get a fun prize.
